**SWEET SCENTED HARDY
DOUBLE RUSSIAN VIOLET**

Few plants, if any, have met with such demand as the Double Russian Violet. For us it has been the best selling item ever offered our retail trade.

We have never had enough stock to enable us to offer it to the trade until now. We urge you to place your order at once for future delivery. There will be a big demand for this item and orders will have to be filled in rotation.

We offer $2\frac{1}{2}$ inch, well established, pot plants, good heavy stock that may be used on orders this spring at:

$\$15.00$ per 100	$\$125.00$ per 1000
1-3/4 inch pot plants for lining out:	
$\$10.00$ per 100	$\$90.00$ per 1000

Here is an item you don't want to pass up. Order at once. Stock is offered for as long as unsold.

NEW BUDDLEIA FORTUNE (Plant Patent 206)

For Florists - For Nurserymen

Buddleia Fortune is a compact, low, neat-growing plant. Shoots develop at the base of the plant and terminate into flower panicles 12 to 18 inches long. Each panicle is perfectly rounded and is in bloom all at once from the base to the tip of the flower. Unlike other Buddleia blooms the flowers of Fortune last from 3 to 5 days in water when cut. The color is a clear and true lavender-blue which blends with all shades of pink, yellow, rose, orange, etc.. Send your order now for immediate or later delivery.

We offer strong $2\frac{1}{4}$ inch pot plants for:
 $\$25.00$ per 100 $\$225.00$ per 1000

Here is a novelty you don't want to pass up.

HORMODIN

Hormodin is tested for plant growth potency by the Boyce Thompson Institute. Nurserymen, greenhousemen and other large growers will be particularly interested in the large economy packages. Each package contains a calibrated easy-to-use measure, complete directions, and a treatment chart.

$\$2.00$ package enough for 450 to 1800 cuttings.				
7.00	"	"	"	1800 to 7200
13.00	"	"	"	5600 to 14,400
24.00	"	"	"	7200 to 28,800
